Editorial Index

The 1995 Editorial Index is a valuable reference source for people in the water/wastewater industry. The comprehensive five-year index lists feature articles published in *Water Engineering & Management* from 1991 through 1995. Each article is listed alphabetically within its corresponding subject category. The entry shows the title of the article and name of the author followed by the month, year and page number of publication.

WATER

MANAGEMENT

Administration

A Manager's Guide to Criminal Liabilities Imposed by Environmental Laws. Kathleen L. Nooney.....**July '94 p 14**

Benchmarking: A Management Tool for Performance Improvement. R. Paul Allio and Michael K. Allio....**May '94 p 16**

Benchmarking: Eight Lessons for High Performance. R. Paul Allio and Michael K. Allio.....**June '94 p 23**

Consultants Rate Market Trends, Selection Methods. *WEM* Staff...**Oct '93 p 26**

Establishing a Maintenance Program. Donald C. Renner.....**Feb '93 p 26**

Establishing Proactive Maintenance Management. Robert Klusman.....**Jan '95 p 16**

Experts Look at 1992 and Beyond. John R. Stukenberg, David G. Argo, James C. Morris, Jr., and William H. Richardson.....**Dec '91 p 25**

Job Satisfaction Reigns. Paul Hersch.....**July '91 p 14**

Pennsylvania Program Helps Improve Drinking Water Safety and Quality. Phil J. Consonery.....**Mar '95 p 30**

Public-Private Partnerships Facilitated with Asset Management Planning. William D. Kingdom.....**Sep '95 p 22**

Salary Survey. *WEM* Staff...**April '93 p 35**

QBS: Who, What, When and Why. Steven W. Polk.....**May '93 p 24**

Survey Results of Technology Trends. *WEM* Staff.....**July '91 p 19**

Use Partnering for Project Success. *WEM* Staff.....**Oct '94 p 19**

Valuable Engineering Decisions. Elbert C. Ray.....**Mar '91 p 34**

Water/Wastewater Industry: Opportunities and Challenges, The. Hampton D. Graham.....**May '95 p 44**

Water and Wastewater Cost and Rate-Setting Trends. *WEM* staff.....**May '95 p 40**

When A City Buys A Utility. Thomas A. Cloud.....**Oct '94 p 24**

World's Environmental Leaders Agree to Cooperate. Linda Smith-Vargo.....**June '91 p 23**

Planning, Scheduling & Operations

As Program Management Function Evolves, Benefits Increase. Alan Carter.....**Mar '95 p 26**

Careful Emergency Planning Will Pay Dividends. Ira M. Markwood and William F. Nabak.....**May '93 p 44**

Centralized Lab Handles Difficult Tests for Scattered Water Plants. Richard H. Moser.....**Sep '91 p 30**

Change at Environmental Laboratories. Raymond J. Frederici and Charles R. Maw.....**Mar '93 p 32**

City Develops System to Prioritize Its Stormwater Capital Projects. Angela R. Tickle.....**Dec '95 p 23**

Computer at Water Plant Runs Second Plant by Remote COntrol. Cliff Preble and Tom Valorose.....**May '95 p 34**

Contract Ops Partnership Stands Test of Time. Edward Griesenauer and Michael Dougherty.....**Nov '94 p 27**

Correlating Conductivity to PPM of Total Dissolved Solids. Lori McPherson.....**Aug '95 p 31**

Establishing a Maintenance Program. Donald C. Renner.....**June '95 p 50**

How Largest Landfill Samples Groundwater. *WEM* Staff.....**Oct '92 p 29**

Laboratory Focus. Mary M. Rathnau.....**Feb '91 p 20**

Leaders Discuss Trends. *WEM* Staff.....**Dec '93 p 28**

Matching Coupling Style to Application Correctly. Mark McCullough.....**June '95 p 34**

Process Safety Standard Now in Place. Stephen A. Watson.....**Oct '92 p 23**

Productivity Improvement Program Challenges Old Ways. Gordon G. Garner.....**Dec ' 93 p 23**

Public Water Suppliers Fight Bad Press With PR Campaign. Dennis Kelleher.....**May '92 p 32**

Setting Rates to Encourage Water Conservation. Theodore C. Schlette and Diane C. Kemp.....**May ' 91 p 25**

Software Package Improves Water Authority's Purchasing and Materials Management Efficiency. David Dise.....**March '94 p 28**

The Organization of Water Supply and Drainage Service in France. *WEM* staff.....**Dec '94 p 25**

Using Ultrasonic Inspection for Preventive Maintenance in a Wastewater Plant. Michael Mezykowski.....**Mar '93 p 22**

What Water Utility Managers Should Know About Developing Water Rates. Bon G. Mui, Kevin W. Richardson, and James F. Shannon.....**Dec '91 p 18**

SUPPLY & RESOURCE

Ground

Groundwater Contamination—Prevention Still the Best Medicine. Frederick Bopp III and Walter M. Leis.....**Oct '93 p 24**

Groundwater Sampling from Low Recharging Wells. Rich Hartz.....**Oct '91 p 30**

How Largest Landfill Samples Groundwater. *WEM* Staff.....**Oct '92 p 29**

Pipe Expansion Project Quickly Increases Production Capacity. Bill Swichtenberg.....**Oct '95 p 28**

Protected Spring Source Retains Ground-

Editorial Index

water Quality. Leonard Ainsworth and James Arden ..... **May '94 p 38**
Protecting Local Supplies: Perspectives for a Regional Water Purveyor. Philip R. Chemin and Frederick O. Brandon ..... **Oct '92 p 20**
Restoration for Arizona Aquifers. Mary M. Rathnau ..... **May '91 p 20**

Surface

Protecting Local Supplies: Perspectives from a Regional Water Purveyor. Philip R. Chemin and Frederick O. Brandon ..... **Oct '92 p 20**

Reuse

Aquifer Recharge Enhanced with Rubber Dam Installations. Michael R. Markus, Curtis A. Thompson and Matt Ulukaya ..... **Jan '95 p 37**
French Project Examines Wastewater Recycling Possibilities. French Technology Press Office ..... **April '93 p 18**
Monitoring Reclaimed Wastewater Usage on Public Parkland Vegetation to Reduce Risks. G. Fred Lee and Anne Jones-Lee ..... **Nov '95 p 28**
Pulse-Bed Sand Filters Meeting California Requirements. *WEM* staff ..... **Dec '95 p 20**
Tertiary-Treated Wastewater Irrigates Monterey Peninsula's Recreational Acreage. Ian Lisk ..... **July '95 p 18**
The Future of Effluent Reuse. James M. Chansler ..... **May '91 p 31**
Wastewater Reuse: Thoroughly Examined. Richard P. Arber ..... **May '91 p 36**

Transmission & Storage

Artificial Recharge Enhances Aquifer Capacity. Frank Getchell and Dave Wiley ... **Nov '95 p 24**
Seepage Investigation, A. Ken Nichels, Steve Grand and Dick Christensen ... **Jan '91 p 16**

TREATMENT

Design

Ammonia Determination in Water Treatment Plants. Shin-ichi Tokuno and John Dillon ..... **March '94 p 34**
Aurora Taps, Treats 3 Water Sources. David K. Wyness and John J. Tebrugge .. **Mar '93 p 24**
Membrane Applications in Water Plants. Ian Lisk ..... **Aug '95 p 16**
Multi-Stage Control System Supports German Region's Water Needs. Joachin Schillgalies and Gerhard Kreiling ..... **Mar '95 p 40**
Plant by the Lake: A Model of Innovation. Ian Lisk ..... **Aug '94 p 18**
Tucson Water Plant Meets Community Expectations and Tough Quality Limits. Jane Burazer and Steven N. Foellmi . **Aug '93 p 20**
Water Plant Project Battled Flood and Costs. Ian Lisk ..... **Dec '93 p 21**

Coagulation & Flocculation

Bearing Replacement Saves Many Maintenance Dollars. *WEM* staff ..... **Sep '95 p 18**
Custom-Blended Coagulant Reduces Costs, Improves Water Quality. Dana J. Ehlen ..... **Dec '92 p 17**
Liquid/Solids Separation:the Chemicals that Make it Better. William T. Lorenz ..... **April '95 p 30**
Optimizing Polymer Performance for Better Sludge Conditioning. Yong Kim ..... **July '93 p 18**
Static Mixers Improve Sludge Dewatering Process. Joseph P. Porcelli, Thomas Wojewski and Oula Shahab ..... **Nov '93 p 20**

Filtration & Solids Handling

Automated High Rate Filters Improve Performance, Reduce Costs. Morrison Coulter ..... **April '95 p 42**
Belt Press Dewatering of Alum Sludge Proves Effective. Jerry Nicholson and Joseph C. Goldback ..... **Dec '91 p 28**
Distributed Control System Offers Local and Central Access. David Chapman, John O'Connor, Michael Stroshine and Mitchell Greenwald ..... **Jan '95 p 22**
Florida Treatment Plant Uses Low-Pressure Membranes. Francis E. Duran, Glenn W. Dunkleberger and Bevin A. Beaudet ..... **Jan '93 p 24**
Membrane Applications in Water Plants. Ian Lisk ..... **Aug '95 p 16**
Membrane Specialists Gather for International Conference. Ian Lisk ..... **May '95 p 26**
Package Water Plant Filters to 0.02 N.T.U. Leonard Ainsworth ..... **April '91 p 28**
Pennsylvania Program Helps Improve Drinking Water Safety and Quality. Phil J. Consonery ..... **Mar '95 p 30**
Piloting A Successful Test. Robert E. Dufresne and Robert E. Bentley ..... **June '91 p 18**
Pressure Clarifiers Help Village With Water Regs. Carl Sternisha ..... **Dec '92 p 22**
Water Treatment Using Upflow Filtration. Rick Jaccarino ..... **June '91 p 22**

Desalting, Demineralization & Contaminant Removal

Complying with the Lead and Copper Rule. Michelle M. Frey, Leland L. Harms and Holly A. Susia ..... **Aug '91 p 22**
Lead and Copper Rules Complicate Matters for Water Systems. Karl Kyriss ..... **May '93 p 28**
New GAC Plant On Stream in Cincinnati. Richard Miller and Garret P. Westerhoff ... **Dec '92 p 20**
Novel Process Rids Groundwater of Hydrocarbons. *WEM* Staff ..... **May '94 p 26**
Pilot Study Points Way to Iron/Manganese Removal. Naeem Qureshi and Al Barnes ..... **Feb '94 p 18**
The Biological Activated Carbon Process for Water Purification. Bertrand W. Dussert and Gary R. Van Stone ..... **Dec '94 p 22**
Water Treatment Controlled by H_2S Levels. Mohan V. Thampi ..... **May '91 p 42**

Disinfection

DAF and Ozone Eliminate Quality Woes, Meet New Regs. Ian Lisk ... **Oct '94 p 27**
Finding Biological Solutions to Odor and Taste Problems. Karl Kyriss ..... **May '91 p 39**
Latest Study Finds Utilities Satisfied with Ozone. Carol H. Tate ..... **Feb '91 p 24**
Membrane Specialists Gather for International Conference. Ian Lisk ..... **May '95 p 26**
Ozonation Enhances Water Quality at Florida Utility. Glenn W. Dunkleberger and Bevin A. Beaudet ..... **May '94 p 32**
Reduction of Chlorite Concentrations in Potable Water with Ferrous Chloride. Anthony Tarquin, Glen Hansel and Douglas Rittman ..... **Feb '95 p 35**
Understanding ORP's Role in the Disinfection Process. Lori L. McPherson ..... **Nov '93 p 29**

DISTRIBUTION

Design

Collecting Field Data for a Hydraulic Model. Brad Montgomery ... **Feb '91 p 10**
Model for Saving Resources, A. Steven Whipp and Bill Pressdee ..... **Feb '91 p 16**
Multi-Stage Control System Supports German Region's Water Needs. Joachin Schillgalies and Gerhard Kreiling ..... **Mar '95 p 40**
Multimedia Computer Applications in Control Systems. Keith R. Lenart ..... **Aug '95 p 27**
***WEM*'s First Consulting Engineers' Projects** ..... **Nov '91 p 18**

Pumping

Application Possibilities Grow for Plastic Pumps. Ken Commerford ... **June '94 p 20**
Cost Savings in Water Distribution Control. Bill Peterschmidt, Jim Carr and Mark Foree ..... **Aug '91 p 34**
Performance Factors and Installation Procedures for AWWA Butterfly Valves: Part I. Joseph W. Hoff and Albert W. Libke ..... **Nov '95 p 17**
Performance Factors and Installation Procedures for AWWA Butterfly Valves: Part II. Joseph W. Hoff and Albert W. Libke ..... **Dec '95 p 29**
Residential Backflow Prevention Begins at User Connection. Wally Gross ..... **Nov '95 p 22**
Utility Crew Rehabs Pump Stations. *WEM* Staff ..... **Jan '93 p 29**

Piping

Acoustical Analysis Selects Leaks. H.V.

Fuchs and R. Riehle .....Jan '91 p 11
Collecting Fields Data for a Hydraulic Model. Brad Montgomery...Feb '91 p 18
Computer Mapping of New York City's Water Mains. Harvey P. Moutal and David Bowen .....Oct '91 p 25
Making Sure Cathodic Protection Works. Jeffrey A. Schramuk and Keith Switzer .....Feb '94 p 16
Monitoring System Detects Small Leaks. A. Grimaud and O. Pascal..Jan '91 p 14
Pinpoint Those Leaks to Save Money. David K. Smith .....May '94 p 22
Performance Factors and Installation Procedures for AWWA Butterfly Valves: Part I. Joseph W. Hoff and Albert W. Libke.....Nov '95 p 17
Performance Factors and Installation Procedures for AWWA Butterfly Valves: Part II. Joseph W. Hoff and Albert W. Libke .....Dec '95 p 29
Research Needs for Water Distribution System Rehabilitation. Dr. Ahmad Habibian .....Aug '94 p 25
Water Main Index, A. Riad Elhaj....Aug '91 p 39

Metering

Anatomy of a Water Meter Replacement Program. William P. McLees.....Jan '93 p 22
Battery Power. Ray A. Carr ..Mar '91 p 26
Better Large Meter Accuracy Increases Revenues, Reduces Water Loss. Mark C. Carney, John Travis and Jeffrey A. Smith .....Jan '95 p 26
City Benefits from AMR Decision. Dennis Zentarski.....Jan '95 p 34
Difficult Meter Reading Job Gets Quicker and Better. *WEM* staff.....Jan '94 p 26
Downunder Project Looks at Joint Water/Electric Metering. J. Lansley and D. Solley.....Jan '94 p 23
Energy Act Spurs Use of More Efficient Fixtures. Naeem Qureshi...Sept '95 p 16
Field Testing Electronic Meters. Tom Keel .....Jan '93 p 27
Improved Water Meter Technology for the 90s. Ronald N. Koch....Feb '93 p 18
Making a Choice: Which Ultrasonic Flow Measuring Technology? Stephen T. Lange .....April '94 p 18
Meter Reading Advances Beyond Test Phase. Linda Smith-Vargo .Mar '91 p 20
Pipe Location Technology Has Rich History. John Chemekoff and David Toussaint.....April '94 p 28
Submetering = Water Conservation. Mary M. Rathnau .....Mar '91 p 24

Storage

A Seepage Investigation. Ken Nickels, Steve Grant and Dick Christensen .....Jan '91 p 16
Maintenance History of Four Steel Water Tanks. Walter Neumann, Jr. and Wade D. Newman .....July '95 p 24

INSTRUMENTATION

Design

Changing Roles in Control System Implementation, The. Herb D. Fiddick .....May '95 p 46
Feeding Good Data to a Water Distribution System Model. Donald W. Manuel and Joseph E. Thurwanger.....Sept '92 p 32
Integrating SCADA Systems with AM/FM-GIS Technology. Mark G. Wehmeyer .....July '94 p 18
It's Not A Gremlin, It's Harmonic Distortion. Nick Cicero .....Oct '94 p 44
Monitoring Processes Using Wireless Data Acquisition. Steve Cheek and Richard Wilkes .....Oct '94 p 17
Multi-Stage Control System Supports German Region's Water Needs. Joachin Schillgalies and Gerhard Kreiling.....Mar '95 p 40
"Smart" Control System Design. Keith R. Lenart .....Oct '95 p 30
Predictive pH Sensor Diagnostics. Richard Payne.....Sept '92 p 26
Water Utility SCADA Uses Microwave Communications. *WEM* staff .....April '95 p 28
What is a Fieldbus and Why Should I care? Herb D. Fiddick.....July '95 p 33
Where On-Line Sensors Are Headed. Stephen A. Wortendyke .....Aug '94 p 23

Operations

Affordable Automation Advances California Water Companies. Steven Prestwood.....July '95 p 28

Comparing Analog and Computer Controls in Two Municipal Water Treatment Plants. Cliff Preble and Tom Valorose.....Nov '91 p 25
Computer at Water Plant Runs Second Plant by Remote COntrol. Cliff Preble and Tom Valorose.....May '95 p 34
Computer Graphics Hierarchy for Wastewater Plant Operations. Tom Valorose .....June '94 p 26
Distributed Control System Offers Local and Central Access. David Chapman, John O'Connor, Michael Stroshine and Mitchell Greenwald.....Jan '95 p 22
Finding the Right Instrumentation. Mark D. Weiss.....Mar '95 p 22
Infrared Scanning Improves Preventive Maintenance. Kip Edgley ..Nov '91 p 38
Keep Your SCADA System Working. William Biehl .....Sep '95 p32
Keeping Sensors Clean. Rajshree Jain .....Mar '91 p 36
Municipal Automation Plan Takes in Water Management. *WEM* staff .....Sept '94 p 36
Open Systems for Process Control and Information Integration. Tom Valorose .....Nov '91 p 25
PLCs Assigned Many Tasks in Large Water Utility. *WEM* staff..... Dec '94 p 31
Protecting Electronic Systems from Power Supply Variations. Joe Becker ... Feb '95 p 42
Upgraded Control System Prepares Plant for 21st Century. Eric J. Vandenbrouke.. Oct '95 p 41
Upgrading a System Bubbler: Add On or Install New? Allen Vazquez .....Nov '91 p 29
Water Utility Lab Seeks Highest Quality. Mary Harlow.....Aug '94 p 28

WASTEWATER

MANAGEMENT

Administration

A Manager's Guide to Criminal Liabilities Imposed by Environmental Laws. Kathleen L. Nooney.....July '94 p 14
Benchmarking: A Management Tool for Performance Improvement. R. Paul Allio and Michael K. Allio ..May '94 p 16
Benchmarking: Eight Lessons for High Performance. R. Paul Allio and Michael K. Allio.....June '94 p 23
California Plant Combines Conservation with Advanced Water Treatment. Kenneth D. Rock and Stephen J. McLeanDec '95 p 2
Consultants Rate Market Trends, Selection Methods. *WEM* Staff .Oct '93 p 26
Establishing a Maintenance Program. Donald C. Renner.....Feb '93 p 26
Establishing Proactive Maintenance Management. Robert Klusman .....Jan '95 p 16
Experts Look at 1992 and Beyond. John R. Stukenberg, David G. Argo, James C. Morris, Jr., and William H. Richardson .....Dec '91 p 25
Implementing Urban Stormwater Runoff Quality Management Regulations. G. Fred Lee and Anne Jones-Lee .....April '95 p 38
Job Satisfaction Reigns. Paul Hersch.....July '91 p 14
Low Head Hydro Powers Wastewater Plant. Richard A. Schultz .July '95 p 39
Niagara Falls: Freedom After Thirteen Years of Hard Labor. Ian Lisk.....Feb '95 p 28
Public-Private Partnership and Process Modification Enhance Operations. Gregory H. Coboum.....Sept '94 p 28
Public-Private Partnerships Facilitated with Asset Management Planning. William D. Kingdom .....Sep '95 p 22
Stormwater Runoff Management: The Need for a Different Approach. G. Fred Lee and Anne Jones-Lee ..Mar '95 p 36
Survey Results of Technology Trends. *WEM* Staff.....July '91 p 19
Use Partnering for Project Success. *WEM* Staff.....Oct '94 p 19
Valuable Engineering Decisions. Elbert C. Ray.....Mar '91 p 34
Water/Wastewater Industry: Opportunities and Challenges, The. Hampton D. Graham .....May '95 p 44
Water and Wastewater Cost and Rate-Setting Trends. *WEM* staff .....May '95 p 40
When A City Buys A Utility. Thomas A. Cloud.....Oct '94 p 24

Editorial Index

World's Environmental Leaders Agree to Cooperate. Linda Smith-Vargo ..... **June '91 p 23**

Planning, Scheduling & Operations

Aggressive Coatings Plan Fights Aggressive Corrosion. William Angoli ..... **June '94 p 28**
As Program Management Function Evolves, Benefits Increase. Alan Carter ..... **Mar '95 p 26**
Capital Improvements, Contract O&M Combine to Solve Problems. Ian Lisk ... **Feb '93 p 22**
Careful Emergency Planning Will Pay Dividends. Ira M. Markwood and William F. Nabak..... **May '93 p 44**
Change at Environmental Laboratories. Raymond J. Frederici and Charles R. Maw ..... **Mar '93 p 32**
Contract O&M at POTW Improves Operations, Reduces Costs. Domenic V. Tutela and William J. Payton ..... **Jan '94 p 20**
Contract Ops Partnership Stands Test of Time. Edward Griesenauer and Michael Dougherty ..... **Nov '94 p 27**
Developing Comprehensive Occupational Health Programs. William W. Bosch and James J, Novak ..... **April '93 p 26**
Establishing a Maintenance Program. Donald C. Renner..... **June '95 p 50**
How New Pretreatment Regulations Affect Industry. Claudia Gemar ..... **Oct '91 p 28**
Issues in Managing Urban Stormwater Runoff Quality. G. Fred Lee and Anne Jones-Lee..... **May '95 p 51**
Laboratory Focus. Mary M. Rathnau ..... **Feb '91 p 20**
Leaders Discuss Trends. *WEM* Staff ..... **Dec '93 p 28**
Long Range Planning for Biosolids Management. Margaret Norton-Arnold, Lisa Fitzhugh and Vicki Fischer..... **Feb '95 p 25**
Matching Coupling Style to Application Correctly. Mark McCullough ..... **June '95 p 34**
Process/Funding Innovations Spell Success for Wastewater Project. Jim Welsh ..... **Mar '93 p 24**
Process Safety Standard Now in Place. Stephen A. Watson ..... **Oct '92 p 23**
QBS: Who, What, When and Why. Steven W. Polk..... **May '93 p 24**
Readers and Leaders Review Technology Trends. *WEM* Staff ..... **Dec '92 p 26**
Regulations to Affect Industry in Many Ways. Edmund A. Kobylinski and Howard O. Andrews..... **Oct '91 p 22**
Relieving a Wastewater Utility's Industrial Strength Headache. John A. Metzler and Barbara E. Henson ..... **Feb '93 p 20**
Salary Survey. *WEM* Staff... **April '93 p 35**
Samplers Assist Upgraded Plant. ..... **Mar '94 p 22**
Technology Transfer Via O&M Manuals Helps Egyptians Run Plant. Edwin R. Slattery and Brian E. Roth ..... **April '93 p 23**
The Organization of Water Supply and Drainage Services in France. *WEM* staff... **Dec '94 p 25**
Using Ultrasonic Inspection for Preventive Maintenance in a Wastewater Plant. Michael Mezykowski..... **Mar '93 p 22**
Washington Utility Plans Computer Evolution. Charlene Roemhildt ..... **Aug '95 p 22**
Wastewater Treatment Facilities Prepare to Clean Air. Gayle P. Van Durme and Edward A. Kobylinski ..... **Aug '92 p 26**
***WEM*'s First Consulting Engineers' Projects** ..... **Nov '91 p 18**

COLLECTION

Design

Broad Infrastructure Program Includes Capture System for CSO Floatables. Frank Sudol ..... **Sep '95 p 26**
Multimedia Computer Applications in Control Systems. Keith R. Lenart ..... **Aug '95 p 27**
Program Produces I/I Reductions in Wastewater Collection System. Clark Annis and Bill Davidson ..... **Aug '95 p 34**

Pumping

Application Possibilities Grow for Plastic Pumps. Ken Commerford ... **June '94 p 20**
Caged Pumps Fix Paper Mill's Sludge Troubles. WEM staff ..... **Feb '94 p 21**
Fast Action Helps Get Flooded Facilities On Line. **Dec '94 p 29**
Tertiary-Treated Wastewater Irrigates Monterey Peninsula's Recreational Acreage. Ian Lisk ..... **July '95 p 18**

Piping & Metering

Big Outfall is Important Element of Wastewater Plant Expansion. Marlay Price..... **March '94 p 24**
Making a Choice: Which Ultrasonic Flow Measuring Technology? Stephen T. Lange ..... **April '94 p 18**
Making Sure Cathodic Protection Works. Jeffrey A. Schramuk and Keith Switzer .... **Feb '94 p 16**
Pinpoint Those Leaks to Save Money. David K. Smith ..... **May '94 p 22**
Pipe Location Technology Has Rich History. John Chernekoff and David Toussaint..... **April '94 p 28**
Sewer Database for Small Collection Systems. Landon Niedringhaus ..... **Nov '91 p 22**
Trenchless Technology Keeps Traffic Flowing. Joseph DeMarco and Gerry Muenchmeyer ..... **Sep '93 p 36**

Retention

Building On-Site Storm Water Detention Facilities. Robert J. Leise..... **June '91 p 26**

TREATMENT

Design

Big Wastewater Collection Project Continues on Schedule and Under Budget. Richard Switalski, Jeffrey D. Sharon and Dale J. Sadowski ..... **Aug. '92 p 34**
Bubbleless Aeration. Michael J. Slemmons ..... **April '91 p 18**
Considering VOC Emissions. Michael K. Stenstrom and Chu-Chin Hsieh..... **April '91 p 27**
Control System for Odorous Emissions from Rock Media Trickling Filters. Manuel Ponte and M. Boyd Miller ..... **April '95 p 33**
Heat Exchangers in Municipal Wastewater Treatment Plants. James R. Lines..... **Sept '91 p 28**
New Treatment Schemes Control Odors. Bob McIlvaine ..... **Jan '90 p 28**
Niagara Falls: Freedom After Thirteen Years of Hard Labor. Ian Lisk ..... **Feb '95 p 28**
Plant by the Lake: A Model of Innovation. Ian Lisk..... **Aug '94 p 18**
System Profile: Old Mines, Big Storms Tamed in Midwest. Ian Lisk..... **Apr '94 p 22**
***WEM*'s First Consulting Engineers' Projects**..... Nov '91 p 18

Primary

Combined System Solves Odor and Disinfection Problems. Roscoe W. Godfrey ..... **Nov '92 p 25**
Stop Odors in the Vapor Phase. Mike Green ..... **Jan '91 p 18**
Wastewater Facility Upgrades Through Instrumentation. Gary L. Davis ..... Oct '95 p 38

Secondary

Bubbleless Aeration. Michael J. Slemmes **April '91 p 18**
Bugs in Activated Sludge: How Do They Work? Edward J. Haller **Aug '91 p 30**
Considering VOC Emissions. Michael K. Stenstrom and Chu-Chin Hsieh..... **April '91 p 27**
Containment Methods for Odor COntrol SYstems in Wastewater Plants. Arie Kepets..... **June '95 p 42**
Control System for Odorous Emissions from Rock Media Trickling Filters. Manuel Ponte and M. Boyd Miller ..... **April '95 p 33**
Importance of Filtration in Wastewater Reclamation, The. George Tchbanoglous and Onder Caliskaner..... **Oct '95 p 26**
New Possibilities for Wastewater Treatment. Linda Smith-Vargo ... **Mar '91 p 27**
On-Site Oxygen System Lowers Costs at Wastewater Plant. Ian Lisk..... **Dec '93 p 26**
Paper Mill Adds Ammonia to Meet Effluent Standard. Brian Morgan, Derek Smith, Sr., and Peter Kerevan **Nov '94 p 18**
Plant Removes Phosphorus to Protect Scenic River. Charles Edwards and Michael Arand **Oct '94 p 22**
Reducing the Cost of Aerating with Centrifugal Blowers. Richard G. Hajec..... **May'94 p 36**

SPECIAL REPORT: A Debate, Rectangular Clarifiers or Circular Clarifiers. Thomas E. Wilson and Denny S. Parker.. **April '91 p 20**
System Profile: St. Louis Wastewater Project Avoids Flood. Ian Lisk ..... **Sept '93 p 20**
The Chesapeake Bay: Restoring An Estuary in Distress. Peter T. Worthen ..... **Sep'94 p 18**
Wastewater Facility Upgrades Through Instrumentation. Gary L. Davis..... Oct '95 p 38
Wastewater Process Lives Up to Early Promise. Murphy Arcemont ..... **Oct '93 p 28**

Advanced

Anaerobic/Aerobic Combination Treats High-Strength Wastewater. Roeland P. Ulrix .....**Feb '94 p 22**
California Plant Combines Conservation with Advanced Water Treatment. Kenneth D. Rock and Stephen J. McLean...**Dec '95 p 26**
Evaporation: A Wastewater Treatment Alternative. Tom M. Pankratz .....**Sep '94 p 42**
High Tech Plant Has to Deal With Maximum Flows. Rob Kennerknecht ....**Aug '92 p 34**
Low Head Hydro Powers Wastewater Plant. Richard A. Schultz...**July '95 p 39**
New Strategy Cuts Plant's Polymer Consumption in Half. Harold Walker..... .....**Dec '95 p 25**
Plating Waste process Includes Microfiltration. Michael Dineen ....**Nov '94 p 22**
Software Optimizes Steam Stripping Process for Organics Removal. Brian O'Rourke .....**Sept '95 p 36**
Tertiary-Treated Wastewater Irrigates Monterey Peninsula's Recreational Acreage. Ian Lisk .....**July '95 p 18**

Disinfection

Changing Control Strategy Solves Chlorine Residual Problems. James Keller... .....**June '92 p 23**
Installing Advanced Disinfection Hardware Upgrades Plant. *WEM* staff..... .....**Mar '95 p 24**

SLUDGE MANAGEMENT
Processing

A "Backward" Approach to Sludge Management. Edward Halley and Greg Miller .....**Sept '91 p 36**
Applying Sludge to Agricultural Land—Within the Rules. George J. McDonald .....**Feb '95 p 38**
Better Polymer Solution Quality Improves Wastewater Plant Performance. Hugh Taylor.....**Nov '94 p 20**
Biosolids Management Demands All-Around Attention. John Nelson and Peter Wernsdorfer .....**Sep '94 p 48**
Managing Sludge Through In-Vessel Composting. Frank W. Clifton, Jr., Thomas E. Adams and Robert W. Dohoney .....**Dec '91 p 21**
One Piece of Equipment Solves Two Sludge Handling Problems. Robert E. Evans and Richard A. Seaburg.....**Oct '95 p 44**
Optimizing Polymer Performance for Better Sludge Conditioning. Yong Kim ....**July '93 p 18**
Restoring Filter Belt Drainage Rates. Greg Land.....**Nov '92 p 22**
Pathogen/Vector Attraction Reduction Requirements of the Sludge Rules. Gerald W. Foess and Ronald B. Sieger ... .**June '93 p 25**
Scalping Biosolids: A Sludge Dewatering Alternative. Lawrence M. Kaplan ....**Nov '95 p 33**
Sewage Sludge Incineration Under Part 503B. Tim Bauer and Ronald B. Sieger ... .**Oct '93 p 22**
Sludge Management: Capital Improvements. Steven Kruger, Peg Becker and Dennis Merrill.....**Feb '91 p 26**
Static Mixers Improve Sludge Dewatering Process. Joseph P. Porcelli, Thomas Wojewski and Oula Shehab..... .....**Nov '93 p 20**
Texas Prison Uses Biological Additive to Reduce Lagoon Sludge. *WEM* Staff .....**Nov '93 p 18**
Wastewater Disposal Goes Underground. Craig W. Lichty.....**Feb '95 p 18**

Disposal

Greening of the Desert. Bill Schoenecker.. .....**Nov '94 p 24**
Land Application Requirements of the New Sludge Rules. Ronald B. Sieger and Gary J. Hermann.....**Aug '93 p 30**
Long Range Planning for Biosolids Management. Margaret Norton-Arnold, Lisa Fitzhugh and Vicki Fischer..**Feb '95 p 25**
New Jersey Wastewater Authority Buys Farmland for Biosolids Disposal. Dennis W. Palmer and Clark G. Shimp..... .....**July '95 p 37**
New Surface Disposal Requirements, The. Thomas W.Sigmund and Ronald B. Sieger .....**Sept '93 p 30**
One Piece of Equipment Solves Two Sludge Handling Problems. Robert E. Evans and Richard A. Seaburg ....**Oct '95 p 44**
Practical Guide to the New Sludge Standards, A. Ronald B. Sieger ....**Nov '93 p 26**
Pressurized Pipeline for San Diego Sludge. Stuart Seymour, Carl Sepponen and Gerry Craft.....**June '93 p 21**
Sludge Disposal Trends Around the Globe. Diane Garvey, Carmen Guarino and John Davis.....**Dec '93 p 17**
Sludge Management: Capital Improvements. Steven Kruger, Peg Becker and Dennis Merrill.....**Feb '91 p 26**
Using Automatic Samplers to Comply With Stormwater Regulations. Robert Bailey.....**Nov '93 p 29**
Wastewater Disposal Goes Underground. Craig W. Lichty.....**Feb '95 p 18**

INSTRUMENTATION
Design

Changing Roles in Control System Implementation, The. Herb D. Fiddick ....**May '95 p 46**
Controlled Dechlorination Achievable With New Systems. William H. Nagel..... .....**Feb '94 p 24**
Integrating SCADA Systems with AM/FM-GIS Technology. Mark G. Wehmeyer..... .....**July '94 p 18**
It's Not A Gremlin, It's Harmonic Distortion. Nick Cicero .....**Oct '94 p 44**
Monitoring Processes Using Wireless Data Acquisition. Steve Cheek and Richard Wilkes .....**Oct '94 p 17**
Predictive pH Sensor Diagnostics. Richard Payne .....**Sep '92 p 26**
"Smart" Control System Design. Keith R. Lenart .....**Oct '95 p 30**
What is a Fieldbus and Why Should I care? Herb D. Fiddick.....**July '95 p 33**
Where On-Line Sensors Are Headed. Stephen A. Wortendyke .....**Aug '94 p 23**

Operations

Computer Graphics Hierarchy for Wastewater Plant Operations. Tom Valorose.. .....**June '94 p 26**
Control System Helped Plant Run Unattended During "Big Flood." Ian Lisk..... .....**June '94 p 30**
DCS Installation Gives Plantwide Process Control. Carl M. Webb and Mark A. Waronker .....**Aug '93 p 27**
Finding the Right Instrumentation. Mark D. Weiss.....**Mar '95 p 22**
Infrared Scanning Improves Preventive Maintenance. Kip Edgley...**Mar '91 p 38**
Integrated Data Management Smooths Plant Operations. David Ching ....**Jan '95 p 31**
Keep Your SCADA System Working. William Biehl .....**Sep '95 p32**
Keeping Sensors Clean. Rajshree Jain..... .....**Mar '91 p 36**
Open Systems for Process Control and Information Integration. Tom Valorose.. .....**July '93 p 15**
Process Control System Takes Plant Beyond Compliance. Jerry Elledge and Craig R. Wierenga.....**Sept '92 p 29**
Protecting Electronic Systems from Power Supply Variations. Joe Becker ... .**Feb '95 p 42**
Sludge Blanket Monitoring Improves Process Control, Cuts Costs. Daniel L. Busch.....**Sept '91 p 26**
Ultrasonic Technology Simplifies Flow and Level Measurement...Dec '94 p 38
Upgrading a System Bubbler: Add On or Install New? Allen Vazquez..... .....**Nov '91 p 29**
